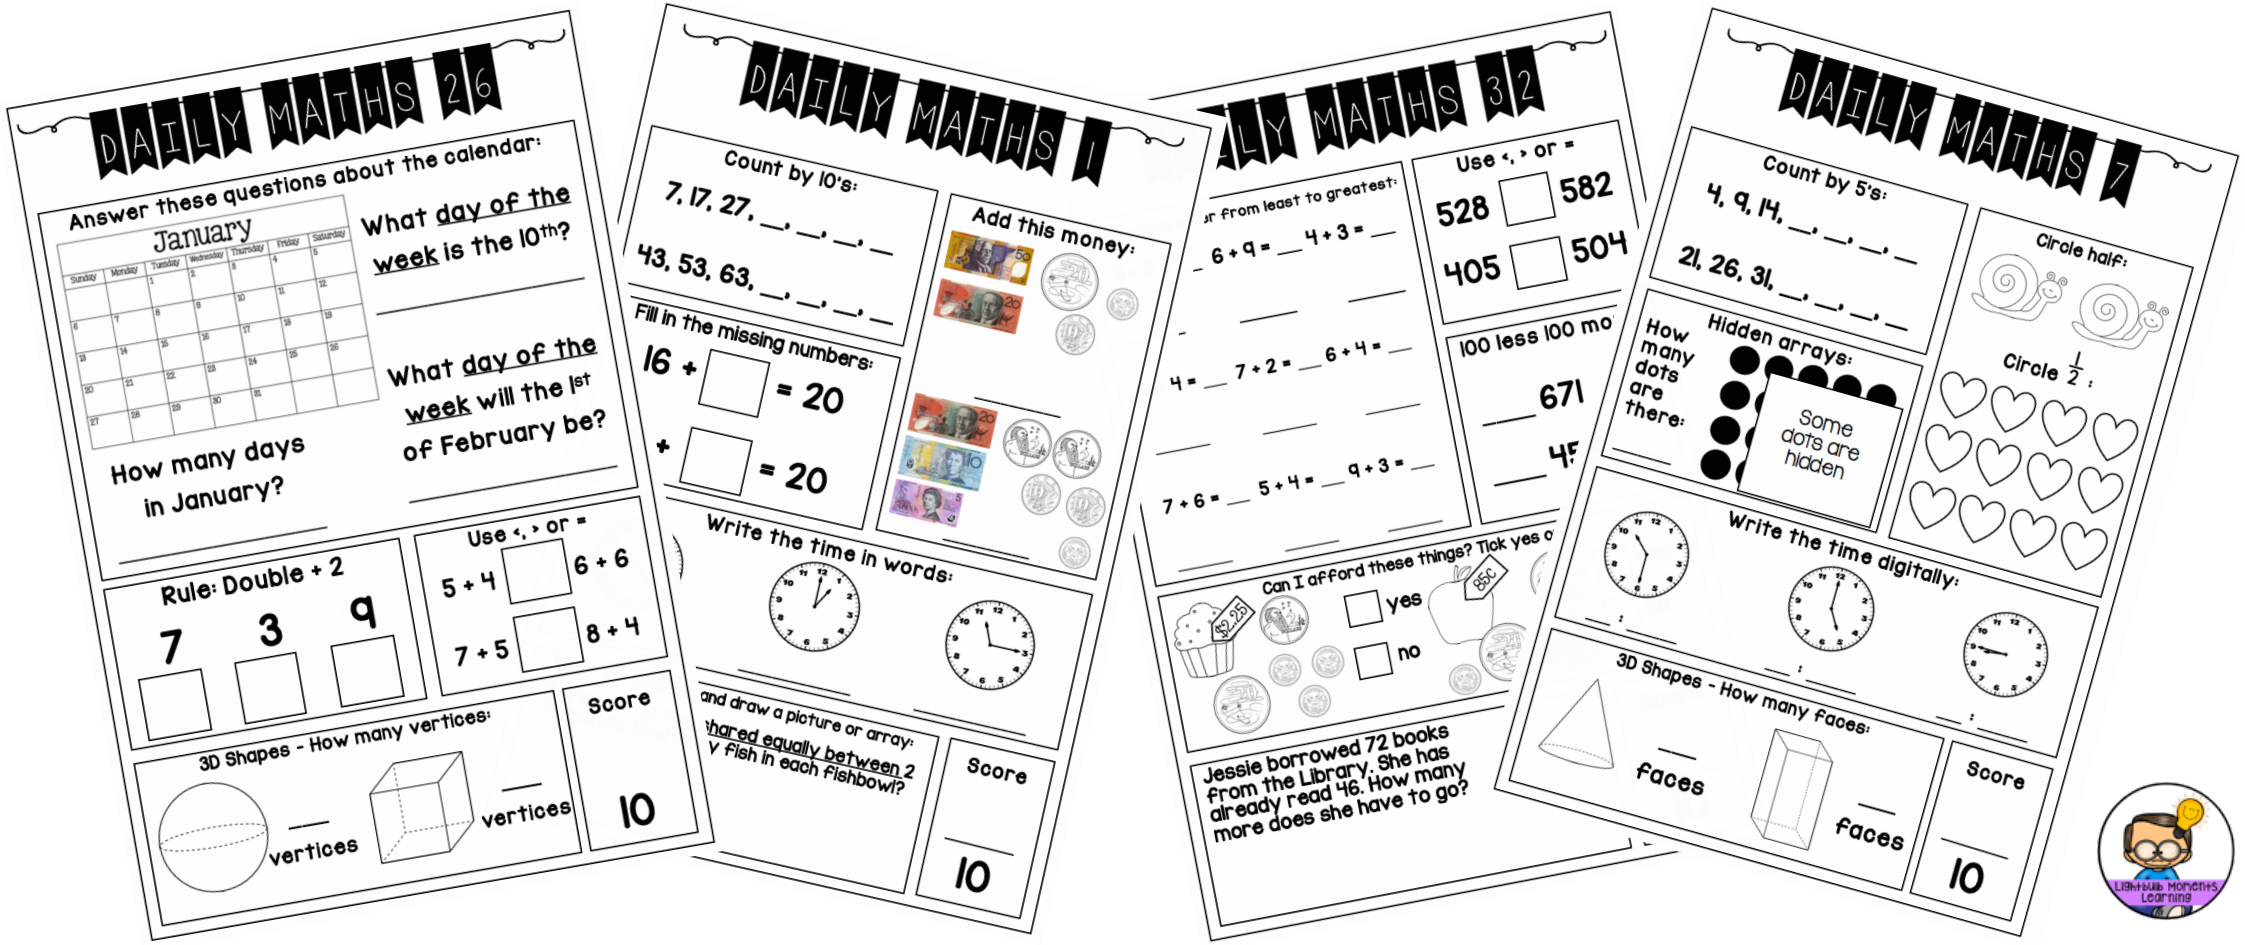
Term 4 Daily Maths Review - Grade 2

10 weeks of no prep daily Maths practice for Term 4



What's in this pack:

This pack is a fantastic way to continually review Maths skills in a quick way each day. These pages can be used as morning work, a quick way to start your Maths lessons or homework.

I like to use them as a 5 minute start to my Maths lesson. Then we correct them as class so that students get immediate feedback so they know which skills they need to work on. The pages cover a skill for the whole week so that if students don't understand something at the start of the week they can continue to practice the skill throughout the week to consolidate their understanding.

The idea is to cover skills that students should have already been introduced to, as a review.

There are 2 options provided in terms of how you want to print the pages:
Option 1 - Cut pages in half to make smaller A5 booklets
Option 2 - Keep pages as A4 with 2 different days to a page

Answers included at the back of the pack.

Thank you for purchasing this product!

Option I

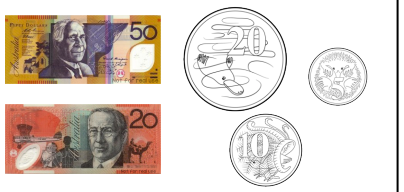
DAILY MATHS 1

Count by 10's:

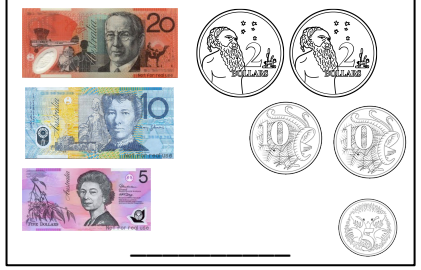
7, 17, 27, __, __, __, __

43, 53, 63, __, __, __, __

Add this money:



_____



_____

Fill in the missing numbers:

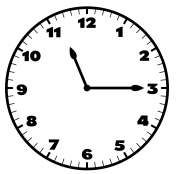
16 + ☐ = 20

3 + ☐ = 20

Write the time in words:

_____

_____



_____

Write the equation and draw a picture or array:

There were 10 fish shared equally between 2 fishbowls. How many fish in each fishbowl?

Score

_____

10

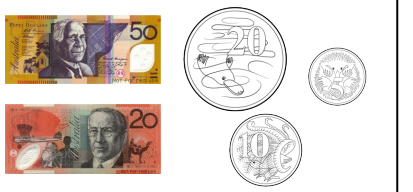
DAILY MATHS 1

Count by 10's:

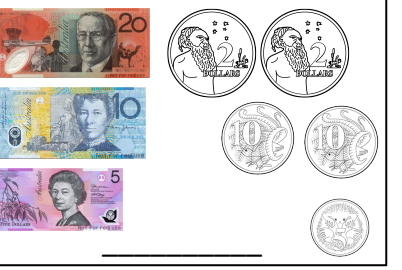
7, 17, 27, __, __, __, __

43, 53, 63, __, __, __, __

Add this money:



_____



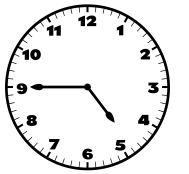
_____

Fill in the missing numbers:

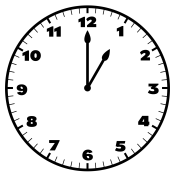
16 + ☐ = 20

3 + ☐ = 20

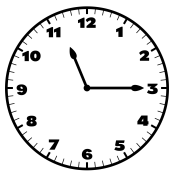
Write the time in words:



_____



_____



_____

Write the equation and draw a picture or array:

There were 10 fish shared equally between 2 fishbowls. How many fish in each fishbowl?

Score

_____

10

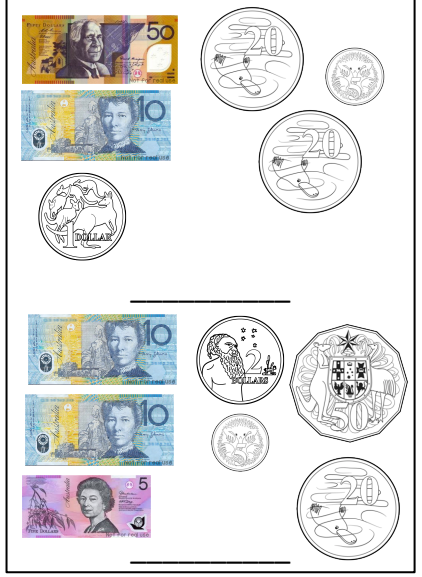
DAILY MATHS 2

Count by 10's:

14, 24, 34, __, __, __, __

65, 75, 85, __, __, __, __

Add this money:



_____

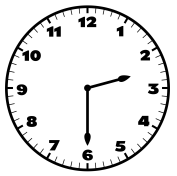
_____

Fill in the missing numbers:

15 + ☐ = 20

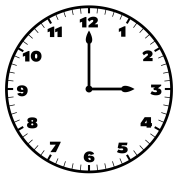
9 + ☐ = 20

Write the time in words:



_____

_____



_____

Write the equation and draw a picture or array:

I have 2 baskets with 6 apples in each basket. How many apples altogether?

Score

_____

10

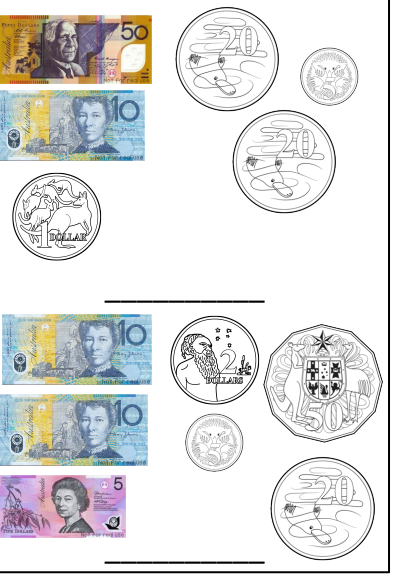
DAILY MATHS 2

Count by 10's:

14, 24, 34, __, __, __, __

65, 75, 85, __, __, __, __

Add this money:



_____

_____

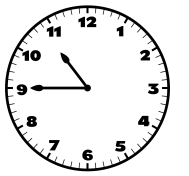
Fill in the missing numbers:

15 + ☐ = 20

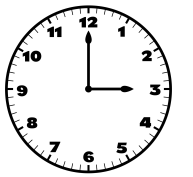
9 + ☐ = 20

Write the time in words:

_____



_____



_____

Write the equation and draw a picture or array:

I have 2 baskets with 6 apples in each basket. How many apples altogether?
